- Words of Hope: Be in prayer for the Words of Hope ministry to the people of Nepal. Religious conversion is illegal in Nepal and is punishable by up to 5 years in prison. That has not deterred Words of Hope and Cross-Way Church in Kathmandu, Nepal from partnering to reach the "hard places" together since 2009. Pray for wisdom, passion and protection for Amit Karthak the director of Words of Hope, Nepal.
- Ahuas Clinic Honduras: Praise God for his continued provision of support for our doctor's salaries and a new sewing machine for the women's group! Pray for discernment and wisdom as the various mission boards make decisions regarding future operations of the clinic and how oversight of the ministries will continue.
- Karin Community Initiatives Gulu, Uganda: The medical clinics are facing a critical shortage of operating expenses at the moment, the first time in over 8 years. Although Hope is looking into ways to generate more revenue within the country to help meet the financial needs of the clinics, funds are needed now. Please pray that God will provide the resources and keep these vital clinics open.
- Jenny LeMahieu, Wycliffe: I will travel to Port Moresby and then to Alotau. Jenny will be there for the month of November to help facilitate the Culture Meets Scripture workshop with her PNG and Costa Rican coworkers.
